### **Financial Assistance Programs\***

No matter what your insurance status, your Case Manager will help you understand the assistance programs offered by YourBlueprint and whether you qualify. The programs we provide include:

- **Co-Pay Assistance Program**
- **Patient Assistance Program**

### **Temporary Treatment Programs\***

If you are experiencing an interruption or delay in your insurance coverage, you may qualify for a temporary, no-cost supply of your medicine through one of the following programs:

- **QuickStart Program**
- **Coverage Interruption Program**

### **Dedicated Case Manager**

When you enroll in YourBlueprint, you will be connected with a dedicated Case Manager. Your Case Manager can help you:

- Understand your insurance coverage
- Check eligibility for financial assistance
- Work with your insurance provider and healthcare provider to help minimize treatment delays
- Answer questions about your medicine
